

ST Lab Assignment #2 Report

By Ming Hu (s35554025), 10 September 2018

Overview

Spira test case ID	Test case name	Comment
TC:3013	Validate index page	This test counts the images and tables in the index page to figure out if it renders correctly or not. There are 25 images and 17 tables in this page.
TC:3014	Redirect to registration page	Find the register button and click it.
TC:3015	Register a new user	Fill out the registration form with some valid information and click the submit button to submit. Then prints out all the information after the submission.
TC:3016	Login as the new user	Logs in the new user after the registration. This test fails due to some issue at the server side.
TC:3017	Book a ticket	Book a return ticket from London to Sydney. Select the default airliner and continue.
TC:3018	Pay the ticket previously booked	Pay the bill and continue
TC:3019	Retrieve the ticket booking confirmation	Iterates all the information retrieved and prints out to stdout by the logger.
TC:3020	Log off	Log off and check if it logged off.

Other comment
